## About Us

We've been in business since 2003, practicing in both Florida and Indiana. Adrian Lynn, founder of the firm, graduated from high school near Fort Myers, Florida, went to become valedictorian of his college at the University of South Florida in Tampa. He subsequently graduated from the University of Florida College of Law in Gainesville, Florida. Thereafter, he graduated from the University of Leiden in Leiden, Netherlands, with a Master of Laws (LL.M.) degree in International Taxation. Mr. Lynn worked for a Miami-based state-wide law firm concentrating on insurance defense and then worked for Deloitte & Touche in Düsseldorf, Germany. Lynn Law Group is a client-based law firm, dispensing with billable hours whenever possible and providing clients with the information and tools to resolve conflicts, both in and out of court.
